

SAMPLE COACHES' LETTER (BASEBALL) - DO NOT COPY

My name is _____, I am a pitcher from _____ High School in Austin, Texas (Class of _____), and I am very interested in attending the University of Texas. I have already filled in the prospect questionnaire on your athletics website and I am registered for _____ Prospect Camp on July 21st.

The combination of diverse class offerings and a competitive baseball program makes the University of Texas the ideal place for me to pursue my academic and athletic interests. The well regarded business program is a primary reason for my interest in attending and I am certain that the academic challenge offered will be an invaluable experience I will retain throughout my life.

As a player, I believe culture and reputation are the most important aspects of a winning team, and I strongly believe that the Longhorns embody those values. I am confident that I will not only excel as a part of the Longhorns baseball program, but will become a valuable team player. I have been interested in Longhorns Baseball ever since I listened to a podcast called "The Dugout" which had you on as a guest. I was intrigued by your discussion about being a two-way player, which will suit my strengths as well.
